

Privacy policy (cookies) of the website europejski.pl

1. The website www.europejski.pl ("Website") automatically collects only information contained in cookie files.
2. Cookie files are IT data, in particular text files, which are stored in the end device of the user of the website www.europejski.pl. Cookies contain the name of the website they come from, a unique number and the storage time on the end device. Cookies do not contain any personal data.
3. The operator and owner of the Website is Europejski Property spółka z ograniczoną odpowiedzialnością established in accordance with Polish law with its registered office in Warsaw /address: 13 Krakowskie Przedmieście, 00-071 Warsaw/ entered into the register of entrepreneurs of the National Court Register kept by the District Court for the Capital City of Warsaw in Warsaw, XII Commercial Division of the National Court Register, KRS No.: 0000923434, tax identification number [NIP]: 527-25-27-592.
4. Cookies are used for the following purposes:
 - a. adjusting the content of the Website to the individual preferences of the user and optimizing the use of the Website; first of all, these files recognize the user's device in order to display the Website in accordance with his/her preferences;
 - b. preparing statistics that help to understand the preferences and behavior of users. Statistics are used, inter alia, to evaluate the popularity of the Website. The analysis of the statistics is anonymous.

Cookies used for data analysis also include Google Analytics cookies (these are files used by Google company to analyze how the user uses the Website, to create statistics and reports on the functioning of the Website). Google does not use the collected data to identify the user and does not combine this information to enable identification. Detailed information on the scope and principles of data collection in connection with this service can be found at: <https://www.google.com/intl/pl/policies/privacy/partners>.

5. The Website uses two basic types of cookies - session and permanent. Session files are temporary, they are stored on the user's end device until they leave the Website by entering another page or turning off the browser. Permanent files are stored on the user's end device until they are deleted by the user or for the time specified in their settings.
6. The user may at any time change the settings of his/her browser to block the use of cookies or to obtain information about their placement in his/her device each time. Other available options can be checked in the user's web browser settings. Please note that most browsers accept cookies on the end device by default.
7. The Website operator informs that changes to the settings in the user's web browser may limit access to some functions of the Website.
8. Cookies used by the Website placed on the user's end device may be made available to the Operator's partners and advertisers cooperating with it.
9. Information on the settings of web browsers is available in its menu or on the website of its manufacturer.
